core connections PHYSIOTHERAPY

Providing excellence in care in the heart of Westboro.

Pelvic health, pre & postnatal and orthopedic physiotherapy. Celebrating 17 years.

PHYSIOTHERAPY SINCE 2008

OUR APPROACH

Welcoming, inclusive and community-based.

Our focus is to understand the root cause of your symptoms, and treat the source of the problem.

Our goal is to empower you through hands-on treatment, exercise and education.

Mind-body connection
We understand how fear, trauma and anxiety can affect the body.

Body awareness
Somatic education builds awareness of movement, breath and tension.

Collaborative care
Our different areas of expertise inform every treatment plan.

OUR SERVICES

Help you feel better, move better.

CORE SERVICES

Pelvic Health Physiotherapy
For women, men and 2SLGBTQIA+ individuals.

Pre & Postnatal Physiotherapy
Integrated care for pregnancy, labour, postpartum recovery and return to sport.

Orthopedic & Sports Physiotherapy
Manual therapy, functional movement re-education and individualized exercise.

SPECIALTY

Hypermobility & EDS
Joint stability and movement control to reduce pain and improve function.

Vestibular Rehabilitation
For dizziness, vertigo, balance problems and visual disturbances.

Adults 60+
Staying strong, active and independent.

COMPLEMENTARY THERAPIES

PhysioYoga · Urban Poling · Hypopressives · Cupping · Dry needling · Kinesiology taping · Pelvic floor biofeedback · Therapeutic ultrasound

Telehealth Virtual appointments are available.

ABOUT THE FOUNDER

Heather Grewar
BScPT, MScPT, FCAMPT

Heather founded Core Connections in 2008 to create a beautiful, community-based centre of excellence. She is driven by excellence in care, collaborative teamwork, and integrated, patient-centred care and empowerment.

Six physiotherapists, working as one team.
